

Drones Quilt – Information for Borrowers

The Drones Quilt is a project by the Fellowship of Reconciliation, England. We're a faith-based charity promoting active nonviolence as the means to transforming unjust systems. The quilt is a visual petition, reminding us that drones are inaccurate and kill innocent civilians and that people are not "collateral damage". Thank you for helping.

Facts and figures:

- It is 40 foot long and 6 foot high (13m x 2m)
- It weighs approximately 6kg
- There is a sleeve running along the top with a washing line inside it
- It comes in a black holdall

Guidelines for hanging

- Must be displayed inside
- It looks best when it's hung up rather than laid out somewhere
- Ideally hang it so the bottom is off the floor
- If it can only be displayed on the floor, it MUST be attended at ALL times
- There are slits along the sleeve to make it easier to hang the washing line on hooks in the wall etc.

Extra bits – sale or return

- *Anonymous Civilian* booklets with pictures of the squares available (£2)
- Postcards with a collage of squares available (25p)
- FoR resources on drones – full report *Drones and the Playstation Mentality* and our shorter *Peacemaker briefing* on drones (£2 and free respectively)
- FoR's latest newsletter and the 2013 edition of our magazine *Peace by Peace* with an article on the quilt (free)
- Information on making a square for the new portable quilt (see below – "other things to note")

Delivery

- We use Parcel Force "guaranteed 48 hour delivery" – it's been perfect so far
- The quilt costs about £15 to post one way (we do not charge a hire fee)
- With lots of resources (total package weight 12kg) it costs about £22
- We ask hirers to cover the cost of postage, by cheque, including donations for resources or FoR general funds

Other things to note

If there is any damage to the quilt when you receive it, please inform us straight away and take a photograph. Because of the nature of the item, it is not possible to insure so any damage needs to be mended as soon as possible so it doesn't get worse.

We are making a smaller quilt to take to festivals and demos. We may make more than one so that they can be used simultaneously, so we're offering kits for people to make more squares. If you'd like some of these, let us know.

Kits come in varying sizes:

1. A person's name with instructions on making the square
2. As above with a square of material
3. As above with freepost label
